

Knowledge Organiser

Handball Year 3

Unit Purpose

The unit of work will explore how to apply the principles of attack vs defence, with a particular focus on passing and moving. Pupils will learn how to keep possession and eventually score to win a modified game.

Inspire Me

Nikola Karabatić is a french handball player regarded as one of the best players of his generation. Nikola has won two Olympic gold medals, four world championships and has won player of the year a record three times.

Key Success Criteria

Physical, Cognitive, Social and Emotional Unit Success

P

Pupils will develop their passing and moving skills to outwit their opponents and keep possession of the ball.

C

Pupils will apply an understanding of where, when and why we pass and move, to score points against another team.

S

Pupils will develop life skills such as respect and communication as they collaborate with others including their opponents.

E

Pupils will apply their skills with developing confidence as they grow in their ability to show integrity and determination.

Vocabulary for Learning

Attacker: We are considered an 'attacker' when we or our team are in possession of the ball. The aim of the game for the attackers is to score, keep possession and score a goal.

Defender: We are considered a 'defender' when we are not in possession of the ball. The aim of the game for the defenders is to prevent the opposition from scoring a goal

Space: is an open area on the court that is unoccupied by a defender or the defending team. The team in possession of the ball need to identify open spaces to move into to enable them to create opportunities to shoot.

Possession: Is when we have physical control of the ball. This could be when working individually or as part of a team. It is when we have 'possession' that we can create the opportunity to score a goal.
